KILLS IN ONE FEED

SINGLE-FEED BAIT TECHNOLOGY

Ultra Power Block Bait² from The Big Cheese delivers fast and highly effective control of rodent pests using single-feed bait technology. It combines proven palatability with the necessary amount of active ingredient to deliver a lethal dose to rodents in one feed.

Rodents may continue to take bait for up to 4 days.

**BAIT
& KILL**

Block Bait² Rodent Killer

THE SOUND OF SCIENCE

The **Mega-Sonic Twin-Speaker Ultrasonic Pest Repeller** from The Big Cheese has been extensively tested against house mice and proven to deter both resident and transient mice from invading over 90% of treatment areas. The product has been widely tested by home owners with rodent problems and has received positive customer ratings.

- Successfully repels rodent pests from over 90% of treatment areas
- Repels existing infestations and helps prevent build-up of new and repeat infestations
- Low-level and zero-activity levels were regularly measured in treatment areas whilst high levels of activity were measured in non-treatment areas

Tracker board without treatment

Tracker board with treatment
